Daviess-McLean Baptist Association

Nathan's Notions

Together for the Mission! Each newsletter article will highlight one or more ministries of your Daviess-McLean Baptist Association.

January - the Baptist Center and the Christian Dental Mission

March - Schafer Baptist Camp & Retreat Center

May - The missions committee, evangelism committee, and youth committee

July - The collegiate committee and jail ministry committee

September - Disaster Relief, the Travis Estate Trust Fund, and Wilson Estate Trust Fund

The Missions Development Committee

This committee has the responsibility to lead the association to address the priority missions frontiers in their area. They are also to provide consultant expertise for churches in racially changing communities, cooperative evangelistic efforts, develop assistance to black Southern Baptist churches, and strategy resources for interracial ministries. Another function of the committee is to survey church needs and determine areas for church starts. This includes securing sponsoring groups and needed resources as well as providing training, guidance, and counsel as needed. Further, they are to develop an ongoing awareness of missions needs and opportunities available.

Currently, this committee has found a place for mission trips in Kentucky in the Tri city area of eastern Kentucky called Lynch, Benham, and

Cumberland. As of this writing the association has taken 4 annual mission trips to help the seven missionaries with whom we partner. They are looking at adopting an area for a North American mission trip partnership, maybe Cincinnati, Ohio. Once that has taken place, they want to secure a mission destination for an international trip. The goal is to develop long-term relationships with the missionaries in each of these areas with annual mission trips and encouraging individual churches to make subsequent trips.

The Evangelism Committee

This committee has the responsibility to lead the association to address the priority of evangelism by helping with church evangelism committee development, evangelism strategy development, mass evangelism, personal evangelism, rural and small church evangelism, metropolitan evangelism, specialized evangelism, renewal evangelism, and evangelism prospect discovery.

They carry out their responsibility by offering to help churches with evangelism training and practice, and associational evangelistic revivals. Several churches have taken part in the training, and as of this writing we have had two revivals.

The Youth Committee

This committee has the responsibility to assist the program of Baptist Youth in the churches of the association, assist the churches without youth programs to establish and maintain such a program, and provide continuous training for workers with youth in the churches. They are to

minister to the distinctive needs of youth in the churches of the association.

They carry out their responsibility by planning events throughout the year for youth of all churches to participate. This is especially helpful for churches that just have a few youth to connect with hundreds more. They have done this multiple times with good participation. They also make themselves available as resource persons to help churches.

Guest Speaker (7:08) – Bro. Tony introduced Bro. Doug from Rockport, IN. Bro. Doug shared a testimony regarding previous work in North Carolina in 2017 that eventually led to them moving to this area. In October 2024, he was asked to help serve in Rockport. Bro. Doug shared a need with the church. The church, Rockport First Baptist Church and ministry is 150 years old and suffered damage during the Jan 2025 storm. Damages to guttering sustained amount to \$2,500-\$3,000. The insurance will only cover \$1,400. Bro. Doug shared Paul's admonition from Ephesians 3:20 stating that God is able to meet the needs in abundance above all that we ask or think through that power that is in us, recognizing that power is the Holy Spirit.

Bro. Tony Shouse offered prayer for Bro. Doug and Rockport First Baptist.

Finance Report (7:20) – Bro. Tom Pelphrey brought a report on behalf of the finance committee. Page 10 shows that the association is approx \$12,000 under budget, and we are approximately \$3,837 over in our spending. Pages 10 and 11 shows our designated funds. Bro. Tom shared that the finance committee is seeking to help answer questions from many to know changes in balances especially in the designated funds. There has been a net increase in these funds and investment of \$32,630.

Bro. Tom specifically addressed 3 funds.

- Designated Fund 8200 - International Student Sponsorship holds \$6,752.27 of money that was raised to sponsor Bro. Kenneth Majawa in attending Midwestern Baptist Theological Seminary. These funds have been placed on hold.
- Designated Fund 3500 - Church Plant Association Grants sent out money to Calhoun Baptist Church in support to Little Bethel and the church being supported. These funds were returned, and the account still remains at \$30,000. That money will be sent back out when the need arises.
- The General Fund expenditures are on target and operation expenses are being kept low.

Bro. Tom addressed the allocations for Camp Schafer, Baptist Center, the Dental Clinic, the Jail Ministry, the party trailer, and Disaster Relief. And the report was accepted.

AMS Report (7:30) – Dr. Nathan Whisnant began by sharing a report on Bro. Tim, Cortney and the Brown family. Bro. Nathan called the family on speaker phone during the meeting to offer prayer on behalf of the Brown family during this time as Wyatt continues to go through treatments.

Bro. Nathan continues to work with Pastor search committees as they go through the process of searching for a pastor. The KBC has printed a book that he goes through in 2 hours of training and then he will work with the committee until they find a pastor.

Bro. Nathan just finished a 4-week training course on Evangelism at Yellow Creek where 4 people were saved. This training is available at any church who will have him.

Bro. Nathan shared on behalf of Joanne and the Missions Development Committee. The committee is looking to expand missions trip opportunities to Cincinnati and looking to once again go to Eastern Kentucky this fall.

Adult Kentucky Changers will be at Camp Schafer March 20-22 to do some work at the camp, and the DMBA will have an opportunity for a Work Day on May 17.

An ordination service for Ben Cottrell will be held March 23 at 2:00 pm.

Ms. Tammy Whisnant has sent out cards to ministers' wives inviting them to a gathering at the association on March 24th. It is a fellowship, but you must bring your own dinner and drink. She has asked that Senior pastors make this event known to their staff and wives.

Mark Bishop, of Gracepoint in Louisville will be at the associational office on April 1 to share on how to preach more evangelistically.

The Resolutions committee will meet on April 8 to draft and review submitted resolutions on behalf of those in the association.

Bro. Tim Moss is leading a Preaching Training entitled "Wrestling with God's Word" on April 15, from 7p-10p. Serve Tour Evansville is coming May 2-3.

Bro. Don Mathis will be teaching on the book of James on September 22 in our association.

Baptist Center (7:39) - Bro. Nathan shared that the center received \$973 through the quarter store in January and February. They gave away 21 food boxes and 2 gift cards for new shoes. They helped a lady in need of household items and a man in need of a heater. Hopewell Baptist Church donated \$450 for the food pantry. Ms. Gail wanted to thank all the churches who have committed to monthly donations to the pantry which remains full because of your donations.

The Baptist Center suffered some damage from flooding during the storm where the food is kept. Insurance made the recommendation to rip out the carpet and tile in this area. There is a D-Now Project that will undertake this task.

Report on Allen Shouse (7:42) - Bro. Nathan Whisnant shared that Dr. Allen Shouse who is now in West Virginia is pastoring a church that experienced flooding in both the church building and the parsonage. They lost office equipment, furniture, flooring and Dr. Shouse's library. Dr. Whisnant contacted Dr. Shouse about how we as an association could help. Dr. Shouse didn't want to replace his library, but said a love offering for the church would be greatly appreciated.

A motion was made by Bro. Conrad that

"The Administrative Committee use up to \$5,000, \$2,500 per church (Dr. Shouse and Rockport First Baptist) to assist them through this hard time." Motion was seconded.

Bro. Tom Pelphrey, recommended on behalf of the finance committee that these funds be taken from the Legacy Fund. **The motion was adopted.**

Committee & Ministry Reports (7:45-7:54)

(7:45) Bro. Tony turned the gavel over to Bro. Erdie Carter for ministry reports.

(7:45) **Camp Program** - Bro. Dustin & Audra Blair will once again be leading Youth Camp. Camp dates are June 29-July 3, and the theme is "Follower" from Matthew 16:24 focusing on being an authentic follower of Jesus. The cost is \$190 and the deadline to register is June 5.

Missions Camp with Jenny and Sharon will be leading Missions Camp this year, July 7-10, with the theme "Missions Possible" studying missions in the Indo-Pacific region. Bro. KamLen Haokip, pastor at Bellevue Burmese Baptist Church will be the missionary. Bro. Clive Bell will serve as camp pastor. Campers will learn about what faith can do, returning home to be faith building instructors, FBI agents.

Ms. Sharon shared that this will be her 47th year leading camp. Cost will be \$170 and camp is for grades 2 through 6 and will be Monday through Thursday night. Last year they had 11 different countries represented. She had the privilege of leading a little girl from Africa to the Lord.

(7:51) **Collegiate Ministry** - Bro. Tony Shouse shared that they continue to do Post Chapel pizza sponsored by the association where 10 pizzas are provided each Wednesday to students coming out of chapel. Your donations to the Collegiate fund are the best way you can serve on this team. The cost averages about \$72 a week.

(7:52) **Jail Ministry** - Bro. Tony Shouse shared that the Jail Ministry is looking to do things a little differently this year. They are looking for ideas. If you are interested in being a part, see Marijane or Bro. Nathan.

(7:54) The gavel was returned to Bro. Tony Shouse.

Old and New Business (7:54-8:12) -

(7:54) There was no Old business.

(7:55) Brian Roberts presented a report on Kenneth Majawa and an update on plans to help with his future education. Bro. Kenneth is a graduate of African Bible College which also has a Master's Program called the African Business Institute. Brian spoke with Bro. Van Thompson who had a part in helping start the chapel there at African Bible College. Bro. Van states that this is very good school training in business and education to help spread the gospel in Africa. The cost of this program is \$4,000.

Brian made the motion that **"Up to \$4,000 which has been collected and held by the association for Kenneth Majawa be paid to the African Business Institute for a Masters in Agri-business so he can fulfill as a Baptist native in Malawi the ministry of Jesus through teaching others to dig wells and better agriculture practices which is a goal of the International Mission Board."** The motion received a second.

Discussion and questions:

1. Bro. Tony Shouse - What happens to the remaining balance of funds collected for Bro. Kenneth? Bro. Brian stated that those funds would be directed through another future motion.
2. Bro. Conner Reed - Has Kenneth been accepted to the Institute? Bro. Brian stated that the international school grants acceptance after money has been secured, but stated that Theresa Hayden would not mail any check or funds until he had been accepted.
3. Bro. Conner Reed - Is the program in cooperation with IMB? Bro. Brian stated that the IMB does not have direct connection with these institutions, but the African Bible College is associated with the Malawi Baptist Convention which is in association with the SBC.
4. Bro. Conrad Francis - Have those who have donated to Bro. Kenneth for the purposes of attending MBTS been notified? Bro. Brian stated that those giving did so in an effort to help him further his education and that Bro. Van Thompson helped him get this together. Bro. Erdie Carter stated that Bro. Sams and the Calhoun Baptist Church have been contacted. Ms. Sharon Westerfield acknowledged that she was one who gave and does support this change.
5. Bro. Conner Reed - He is very supportive of this cause, but asked "Can we have more future transparency on things like this?" And Bro. Reed asked specifically that the minutes record his desire for more future transparency.

The motion was adopted.

(8:05) - Sarah Schroader representing the **Personnel Committee** brought **3 recommended changes** to the Policy Manual. Changes are in red located on pages 20-36. Changes include changes to the Camp Scholarship language, changes to the duties of custodian, and additional language suggested by the Alliance Defending Freedom to protect us from the SOGIE laws. Coming from the committee it did not need a 2nd.

Discussion and questions:

1. The motion includes language referring to the association's statement of faith. Is this available on the association website? Ms. Cindy Street stated that it is not, but is in the annual book. Further discussion revealed that it might be, but very difficult to locate.

Bro. Erdie made an **amendment to the motion** that states that **"We make our statement of faith on our website so that it is accessible to everyone without having to go find the physical document."** The question was asked and agreed to that a link would suffice as long as it went directly to the document.

The amendment was seconded, voted on, and adopted. The motion was voted on and adopted.

(8:13) – **Correspondence** – The clerk acknowledged a thank you note that came from Ms. Gail Boling expressing appreciation for the wind chimes after the passing of her father, Mr. Clayton Boling.

(8:14) - Motion to Adjourn – A motion to adjourn was made by Tim Moss and Seconded. Bro. Tony closed the meeting in prayer.

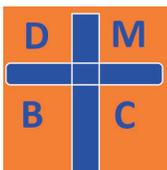

Greetings DMBA.

It is morning as I write this, and I just had the privilege of speaking to the Highland Elementary school FCA. Wow, those students know how to celebrate our risen Savior. I pray that each of us will rekindle the wonder of the resurrection in our hearts this year!

Because of the resurrection we know that the worst things are never the last things. That's good news, right?! When tragedy strikes, we have the unique opportunity to offer hope to those in hardship. We grieve with those who grieve and rejoice with those who rejoice. We speak life and hope. At the same time, we offer selflessly to those in trouble. We offer our prayers, our presence, and our hands to help them recover when disaster strikes.

Our McLean County friends have been devastated by recent floods. Our Daviess County friends have endured damage from hail and tornados. These things are terrible but provide us with the opportunity to offer ourselves to help ease the pain of loss. We can pray, of course, for those affected. We can also provide hands-on help by donating our time and supplies and even money. Our Kentucky Baptist Disaster relief is a great organization, and I encourage each of us to train and mobilize as we are able. There are plenty of ways to donate supplies to those in need. Also, our own association will be providing help soon to those in Mclean County that need our help. We will provide more information as to how to help as the information comes available. In the meantime, please prayerfully consider how we can step in and be the hands and feet of Jesus and show His great love.

Blessings, Tony Shouse, Moderator.

I want to thank all of the churches that are bringing in the donations for the food party.

The Christian Dental Mission has been active and holding clinics twice a month even through the winter snows and storms and floods. We have had a number of new patients referred from the Help Office and we are doing exams and preparing treatment plans and delivering needed dental care and oral surgery. We have a new case recently where we will provide an acrylic partial denture that will replace teeth in the smile the day of the oral surgery.

On March 28, five dental mission volunteers served at an organizational work day at the clinic. Two other volunteers on an earlier date spearheaded the purging of old files and papers in the administrative file cabinet. On the March 28 work day, more work was done to further organize the front desk and some helped to group and package instruments for sterilization. The storage room was purged of expired toothpastes, old instruments and items of no value to the mission. A good truckload of junk was hauled to the dumpster. All of the useful products were re-organized on shelving in the storage room for easy inventory and access. We still need help to remove an old compressor that was donated to the mission and is stored in the storage room.

Items that we need for the clinic are small New Testament Bibles to distribute to our patients and also distilled water in gallon jugs that we use with our instrument sterilization process.

Our new computers allowing digital radiography are serving us well to better diagnose and educate our patients. We look forward to serving more patients in the coming days with their oral health needs, but most importantly to help them learn how they can have their sins forgiven, a home in heaven, and a purpose for living!

In Christ, Ralph Thacker DMD

The following is a list of projects Tim & Cortney Brown have put together of things we want to accomplish on the Schafer Baptist Camp workday on May 17th. Please look over the list and see if there is a way you and others from your church can help. Also, please let people in your church know about the workday and the projects. We will begin the day at 8:00 am with breakfast, and lunch will also be provided.

I plan to be there to do what I can. Let's make an effort to get a lot of people there on workday to show Tim & Cortney how much we care for them during this time they are helping Wyatt deal with leukemia.

Projects include construction, yard work, painting, and cleaning. Whatever your skill set or interest you can help!
